Survey of Seniors and Safety Presentation Jan. 5, 2011

Approximately 300 seniors were present and a questionnaire was distributed. The purpose of the questionnaire was to obtain data for County-Stat. In addition, staff addressed the audience and provide up dates on crime and other activities. OCP gave a presentation on common scams via mail and seasonal deceptions.

At our next monthly meets we hope to evaluate the data from the survey and continue to identify County –Stat measures.
